Mil-spec laptop with excellent performance and unrivaled connectivity that comes with **two 17.3" full HD displays**.

Add-on Display

The NotePAC II Pro V can be enhanced with a modular add-on display. This additional display allows for even more screen space and display configurations. This easy-to-attach additional display easily mounts to the top of the center of the unit in less than a minute.

Expansion Possibilities

The NotePAC II Pro V has plenty of expansion space for removable drives and PCIe expansions. Configurable options include 2x 3/4 length PCIe Slots for add-in graphics, RAID, Network, or other I/O and 4x removable SSD drive bays.
